Shipping Offers

Sea freight shipping services from:

Europe (Rotterdam & Barcelona)

EMSO is pleased to offer sea freight shipping from two European ports, Rotterdam and Barcelona, to Dubai to facilitate cost-effective shipping and encourage competitors from Europe. Two 40ft containers are being planned from these ports. Please note, this offer is limited to bikes, quads and SSV. Early booking is recommended to ensure space.

Please contact us for the said container offer on: logistics@emso.ae.
